Description

Vancouver Island Ormus Seawater Derived Minerals Containing Liquid Food-Supplement is 100% pure ocean minerals extracted from the west coast of Vancouver Island. Minerals and trace elements originated from the waters of the Pacific Ocean may contribute to the proper function of our bodies. Zinc is one important part of the human body's antioxidant defensive mechanism. This food-supplement does not substitute a balanced diet! This product is sterilized, induction sealed, and does not expire.

Ingredients: distilled water, zinc, magnesium, calcium, iron, copper, manganese, potassium, selenium, molybdenum

No added preservatives. 100% natural. VEGAN. GMO free. Allergen free. Sustainably sourced.

These minerals are non-toxic, do not expire, and are safe for plants and animals.

When added to water, they also make a great plant food!

Recommended amount: 1 teaspoon or 5ml per day (or 2 times 2.5ml daily) orally

Flavors: All flavored products are flavored with Nature's Flavors Organic Flavor Concentrates. All Organic Flavor Concentrates are vegan, kosher, gluten-free, and caffeine-free.

Recommended amount for plants: 1 teaspoon or 5ml per gallon (3875 ml) of water. Shake well before using. Safe for children, pets, plants, and pregnant/nursing women.

Servings per container: 200

CAUTION: Do not refrigerate! Do not freeze! Do not microwave! Keep lid on when not in use.

Returns: All returns need to be unopened. Only sealed containers will be accepted. If customs opens the seal on these bottles, they cannot be returned to us. If you are not happy with this, you can always feed it to your plants, and they will simply love you for it! 1 teaspoon per gallon of water works very well!

Vancouver Island Ormus Mineral Cream is a **6x** concentrated version of Vancouver Island Ormus Mineral Substrate. V.I.O. Ocean Mineral Cream is a unique multi-use cream created through our patented atomic separation process. Only the highest quality inductive nutrients are included.

This Cream is 100% pure ocean minerals extracted from the west coast of Vancouver Island. Minerals and trace elements originated from the waters of the Pacific Ocean may contribute to the proper function of our bodies. Zinc is one important part of the human body's antioxidant defensive mechanism. This food-supplement does not substitute a balanced diet! This product is sterilized, induction sealed, and does not expire.
